The Minutes from the last general meeting were emailed and approved at the December 13, 2021 Business Meeting.

A special guest was announced. Leilani Woods always comes to us with funny stories and useful information! Today was no exception. She told us tales while she made a Holiday hanging basket that was raffled off to members. Guest Shari won. Leilani also started a porch gnome and Wallace Teal won the raffle for that kit to complete at home.

Patty Wheatley also instructed us how to build a wonderful front porch gnome from bits and pieces and a potato. That too was raffled off. Beverly Dawson won.

Members voted on their favorite floral arrangements, Teresa Martin and Melanie DeBiddle won gifts for their creations. Gift ornaments were exchanged, and then:

Potluck luncheon!

Bobbie Daniels read us a wonderful prose/poem she wrote to celebrate present and past members.

The 50/50 raffle raised \$50.
